

FINLAND

The beauty of -30 degrees

Period: January 2026 | **Days:** 7

Description: A journey into the frozen heart of Finland, based in Levi, from Kittilä to the Arctic charm of Rovaniemi. From silent cross-country trails and snowmobile rides across endless white plains to forests suspended in ice, where every breath freezes in the air at -30 °C. The nights shine under the Northern Lights, the days are spent skiing, enjoying saunas and the peaceful rhythm of Lapland's villages. Harsh winter, mesmerising landscapes and polar skies.
